Every effort will be made to send Training Advisories (TA) out 60 days prior to the start of the course. Dates, times, and prerequisites will be detailed on the Training Advisory (TA). Registering for a course: Open the electronic "Training Request Form" located on the Loudoun County Fire, Rescue, and Emergency Management website (www.loudoun.gov/fire/) under the Training Division section. The site may be accessed from any computer with internet access. Complete all fields of the Training Request Form under "Course Information" and "Applicant Data." Save your electronic training request to your computer in the format shown on the instruction sheet. Send an email to your Chief Officer (Volunteer Fire/Rescue Chief or Career Battalion Chief depending on your affiliation) with the form and copies of your prerequisites attached. If your Department has a Volunteer Training Officer, copy that Volunteer Training Officer as well. Copies of prerequisites listed on the Training Advisory (TA) may be either mailed to the Course Coordinator listed on the TA via the county courier or scanned and attached electronically to the email you are sending with the Training Request Form. **After approval of your request, your Chief or Training Officer will forward your request to LCFRTRNG@loudoun.gov.** Additional information on submitting your training request electronically can be found on theLCFR Website. Training requests submitted after a course registration has closed shall not be accepted.

Classes receiving less than 9 Training Requests may be subject to cancellation.

All classes are subject to change or cancellation based on unforeseen circumstances during the development of this training calendar.
